

ThinkSub International Co.,Ltd

Located in Zibo and originated from pure ceramic manufacturer, ThinkSub International Co., Ltd. rises immediately as a new force in the sublimation industry since its setup in 2013. We specialize in manufacturing dye-sub blanks ready for printing and personalization, which serves widely the purpose on advertising, decoration, souvenirs, promotional gifts, packaging, stationery and more.

As your one-stop sublimation partner, Thinksub provides heat press machines, coated ceramic drinkware, textile & fabrics, glass & Hardboard panels, blank phone cases, 3D vacuum systems, and assorted personalized gifts. With more than 15-year-experience on baking ceramics and 8 years on coating line, we control from the very start your item quality ordered from ThinkSub and commit fast delivery, complete after-sale service, as well as tailored solutions for customers to start or expand this business at various stages.
